

Whether you're a committee member or a building manager it's only natural that you would like to reduce the time you spend on paperwork related to the maintenance and upkeep of a building - especially the time reviewing and authorising all invoices.

So what is the fastest, most efficient way of handling them?

**The StrataMax Invoice Hub - it's a real breakthrough and time saver!**

**The StrataMax Online Invoice Approval**

**process will simplify your life in many ways**

Committee members no longer have to worry about where they put the file with all those invoices to approve, how to easily query one, or remit paperwork.

Now all the information needed is at the fingertips of committee members and building managers, online and in a very easy-to-understand, organised fashion.

**It's StrataMax innovation at its best!**

Some of what the Invoice Hub allows you to do:

- Streamlines approval of invoices, saving everyone time.
- Easy-to-track invoice approval history.
- View scanned invoices requiring action by you with a single click.
- See invoices that have been fully authorised.
- System safeguards against double payments of invoices.

"Now I have the freedom to approve these invoices anytime, anywhere... that sure gets my vote!"
